

ONE ON THE EDITOR.

A Good Story on the San Francisco Examiner.

"There is a good story on the Examiner," said J. Ross Jackson, the ex-newspaper man, to some friends in the Palace yesterday, "and although I'm out of the business I can't overlook its merit on that account. It appears that a druggist named Putnam was killed in Willows recently by a man named Sehorn. The Telegraphed report came to The Call and also to the Chronicle. The next morning, when Managing Editor Hamilton of the Examiner was looking over the record of the day, he discovered that his paper had been 'scooped' on that particular item. He thereupon sent for Mr. Corey, the coast editor of the paper.

"Mr. Corey, he said, with a dignified look on his face, 'have we a correspondent in Willows?'
"Yes."
"Did he send in a report of that murder?"
"No."
"Fire him."

For Libelling the Italian Ambassador at Washington.

Moreno's bail has been increased to \$3000. Punishment is within the discretion of the court.

FITS CURED

(From U. S. Journal of Medicine.)
Prof. W. H. F. Peck, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician; his success is astonishing. We have heard of cases of 20 years standing cured by him. He publishes a valuable work on this disease which he sends with a large bottle of his absolute cure, free to any sufferer who may send their P.O. and Express address. We advise anyone wishing a cure to address, Prof. W. H. F. Peck, E. D., 4 Cedar St., New York.
